May it please your Majesty,

I am twelve years old and I live in Cooksville, Ontario-near Toronto, Canada. I have several hobbies but my favourite and most interesting one is collecting autographs. I have forty-three already including the Prime Minister of Canada, the president of the United States, and the King of Greece.

I would appreciate it very much if you would contribute your autograph to my album. I would also enjoy having an autograph from such a far away and unknown country as the Maldivé Islands.
Thank-you kindly.

Yours sincerely,

Richard A. Jones.
