

242 Jubilee Crescent
Wellingborough
Northants.
England.

Your Highness,

My name is Madeline Carol Parker and I am eleven years old and I collect postage stamps for it helps me with my geography and teaches me more about other peoples of the world.

I should very much like stamps of Maldivie, and if your Highness would be so kind and answer my letter I will have at least one stamp from your country.

Thank you very much.

yours obediently

M.C. Parker.
