Dear Brother in Islam,

As salam alaikum wa rahmatu llah.

Wonder if there is any hope of obtaining a teaching
in your islands. I am twenty three years of age,
gle, and a convert to Islam since 1958.

I was trained at Chester Teachers College starting in
1957 and I qualified in 1959. I am now teaching
in a Junior school. My qualifications cover me
to teach in all Junior and Sec. Modern schools
Britain but not in Grammar schools because
I have no degree.

My reason for writing to you brother is that I would
like to gain more knowledge and understanding of Islam
through living in a Muslim land. I hope you will
seriously consider my request. I am.

Yours sincerely
(Mhd. Risti). Leslie Price.
