SULTAN AL AMIR MOHAMMED FARID DIDI

MALE

KING'S ISLAND

MALDIVE ISLANDS

DEAR SIR;

I am an American student in high school and have majored in history and geography. I would like to have some information on your coinage system, history, and geography. I ^{would} extremely appreciate it if you could give me information on where to obtain a map of the Maldive Islands in the official language. I understand that there is a British airbase establishment on Gan Island. They may have such a map. I have written for a map from most every country in the world in their respective language. Would you if possible send me your autograph and photograph.

Sincerely yours,
GARY MOLLETT
