His Highness Amir Mohamed Farid Didi,
Sultan, Maldive Islands
Male, Maldive Islands

Your Highness:

Our forthcoming edition will contain a general survey of the world of music. Every country, principality, possession, or island in the world that has any musical activity will be included. In order that the Maldive Islands be fully represented we are requesting that you send us information regarding the musical life in your area. We will be most grateful for your cooperation, and all data will be treated with the greatest respect.

Information needed includes: Names of your leading musicians; their present activity; names of musical ensembles such as orchestras or choral groups; information about any music festivals that are held every year; either popular, classical, or folk music artists may be included; and any other information that would add to the complete picture of music in the Maldive Islands.

As we expect to complete the book by late summer, an early reply would be greatly appreciated. Thanking you in advance, we look forward to hearing from you in the not too distant future.

Respectfully Yours,

David L. Buckley
