

I say it is now come when they shall again be warned of the status quo.

I say that they know not that they now sit on the furnace which they have filled with T-N-T.

I say they have loaded their own guns.

I say they have dug their own graves with their own hands.

Now ye have been called upon at this early hour of morning that ye may record this for the ONE which is of a mind to read--listen-- and heed these words.

Now say unto them, as I would say--that not one which is of a mind to follow me and to receive me and of me shall perish within the holocaust which shall be.

I say there shall be a holocaust--which shall sweep the earth from pole to pole.

I have kept this information for this time--it is the better part of wisdom at this time to warn them--for it is said that them which think themselves wise has set into motion a plan that they can not control, and have the determination to destroy that which we of the realms of Light would establish upon the earth.

I say we have come that ye of earth might have LIGHT--might have FREEDOM. And I say that they are determined that ye be bound by thy own awful--Yes I say and wisely so thy own awful--the stench which goes up from thy world is as offensive unto us as thy pits of garbage is unto thee!

I say we see that which ye of earth excrete from thy puny goat-mind, and ye are bound by it--ye have given unto thyself credit for being wise when ye have been fools.

Ye carry thy leg-irons as jewels to be cherished! I say that which ye cherish as worth while goods - as worth fighting thy fellow-man for - shall fall into shambles within the twinkling of an eye, such is thy fortune.

And I say ye which are of a mind to seek me out and to be given as I have received shall be wise indeed--for I shall gather up my own. I do not forsake my own--nor do I betray myself or my trust--for it is given unto me to be of the Father sent that ye may be delivered up.

Yet it is the law that ye be so minded that ye come of thy own free will.

I say ye shall be of a mind to come of thy own free will!

Now let this be clear unto thee--that I am not come to deliver up the profane and the unjust.

And I say unto thee there shall be many which shall spit on my words and they shall persecute my prophets--and at the last moment they shall cry out for help--they shall be as ones which have thrown overboard their life belts.

Now ye shall remember me and that which I now say unto thee--and ye shall give unto me credit for being that which I am - and I shall watch thee - and I am not deceived--nor am I a fool!

I say ye shall write thy own passport into the place which I have prepared for thee.

I say ye shall write thy own passport such is the law.

I am come that my covenant might be fulfilled, so be it and Selah.

Now I say unto them which are of a mind to scoff--be ye not deceived by them which would hold in bondage--for they are the false gods--the false one which has deceived thee through the ages!

I say that he, the false one--was cast down for just such a purpose--or reason--for he has once within time past sat within the secret place of the most high--and he too betrayed himself--he betrayed them which followed him.

And ye have been bound by him--and ye have given unto him credit for being God the Father.

I say unto thee MY SHEEP: he which once was a SON of GOD which sat in high places is the deceiver of men. He has given of himself that ye may be dragged down into the nether regions--for he is so minded that he would have thee perish!

Now be ye as ones which can find thy own way--and which can turn from him--the Prince of Perdition--he is the Prince of darkness--the prince of the

underworld--and he has the power to beguile thee and he is not of a mind to set thee free.

May ye be forewarned and to be forewarned is to be forearmed, so be it and Selah.

I am now speaking unto them which would spit on these my words and which would persecute my priestess--there are none exempt from the law--for it is as none has the mind to comprehend.

When one sets his foot unto the prophet there is swift (and sad within the realm of the ARCHERS--bow shall they be) action which is set into motion by their own rebelliousness which we call wonton.

And at this point I shall remind them which are of a mind to change a letter or a word of this that it would be better that ye lose a hand or foot!

Nay! I say unto thee that not one word shall be changed - such is the better part of wisdom.

Now were it for thee alone I should let thee go! But not one stands alone--for as ye of earth are destroyed so should other planets suffer thy folly.

I now address myself unto them which are so minded to give of themselves unto such experiments - which are but foolishness of the unknowing ones.

I say that when ye have gone so far with thy experiments which are the tools of the Prince of darkness - the Son of Perdition - the one which has been called Lucifer--ye shall be blanked out--ye shall be as ones which shall be given as the WHORE would give unto thee.

Ye shall go into darkness with the Prince of Perdition. Thy mind shall be blanked from thee for a period of time--and it is given unto me to know the time--yet I shall not tell thee at this time for it is given unto me from time to time to speak through ones which I have prepared for such instruments which are able to serve me and my cause.

I say I am not so foolish as the ones which betray themselves and their trust--I say I prepare with the care of the wise MY SERVANTS - MY INSTRUMENTS. And I give them their choice--yet I command of them obedience which is so VERY NECESSARY! I give them a strict discipline and also the choice to accept or reject me.

And I say that this instrument has not failed in one discipline--she has done that which I have commanded--and she has unto herself been true.

And I say woe unto any man or woman which set their hand against her. I am he which has come that ye all may know me--and that ye may follow me.

And I say that there is a difference of opinion concerning my coming--and that is lawful.

Yet ye shall be of the same opinion when I am gone! for where in ye are within the earth are many which shall go into darkness for many centuries without knowing that I have come - and with their preconceived ideas of and about me.

I say man has many concepts of me as the Son of God the Father which they have called Jesus the Christ. And I say they have fought for these ideas--while they have rejected my teachings--and they have made it impossible for me to come unto them and savor them.

I say I am helpless to reach them--and I say I am sad--for it is given unto me to see them trapt as animals and they know it not! Yet they reject me--for this do I stand with hands tied.

Now give this unto them and I shall speak unto thee as one* and unto thee shall I reveal that which they can as yet not bear--and I say unto thee that ye have been unto them my hand made manifest and ye shall be blest of me and by me, so be it and Selah.

I am Sananda of the secret place of Sorcumcora; the one which they refer to as Jesus the Christ, which they for the most part do not know.

From Evangeline, March, 1962

"You are doing a terrific work for Project Jesus, who is very grateful -- so grateful He has a message:"

"My Beloved Brother on Earth, I am grateful for the many hours you have put in -- doing my work -- and the financial sacrifices you are making. I am sending out my personal aid to you in your glorious venture. You have consumed your personal self, and your available financial and physical reserves in this worldwide project, and you know, My Man Friday, the quotation from the Bible, 'To lose oneself is to find oneself' -- so you cannot lose in this wonderful enactment of your 'Magnificent Consummation'.

"So, Beloved Garman Van Polen, remain dedicated to your intuitions, and great realizations will be your reward." JESUS of Nazareth.

Billy, you hereby have official notice of change of NAME: 4/17/62, noon.
Easter Greetings

Dear Brothers and Sisters--

Who have chosen the way of the cross "which is resurrection".

I Thedra, have this hour received this message for you.

"Say unto them in my name that I am come that where I go they may go also.

Say unto them that I shall send one unto them in my name; and as they receive me so shall they receive their inheritance of God The Father, upon this I set my seal.

I am Sananda once called Jesus the Christ, so be it and Selah.

Arise with me, and I shall lift thee up -- yet ye shall will it so.

Amen."

Well Billy, after reading the above May 12 message, what do you think?

Sananda is not mincing words, is he? We think he is not 'messaging around' with us any longer!

Be warned! Be warned! The presentation of Sananda to the world is no fluke! You stand before the choice of your dead Jesus -- or the live Sananda! And he will have no more of you on the tired cheek!

Over and over you have lamented your orthodoxy is not working out -- so what's the matter with it? Pride gives you difficulty, does it not? Bitterly Truth is dawning on you. "I have prepared a portion which shall be given unto thee -- and it shall be 'bitter' -- and as ye have given unto thyself that which ye have called 'sweet' ye will find my portion very 'bitter'. Yet when ye have drunk of it thy stomach shall be sweetened and ye shall become new -- and ye shall be reborn, and ye shall walk with equilibrium, and ye shall lose it no more." Most Worthy Grand Master, thru Thedra-The Sibors.

Come Billy, take it -- and you shall take it already feeling you are healed.

Just this past Sunday, you said, "Revival must begin in the heart of the evangelist." That was one of the most profound moments of your life, when recently you realized that! And how honest!

After your many years of evangelism; after the many thousands you have emoted up the sawdust path; now you standing just before the Chicago Crusade with great misgivings and public expressions of fear that you will not accomplish there what you wish. You know this Chicago campaign is the supreme test, the climax -- conclusively it will set the world afire here or nowhere! You know Chicago must open the world to awakening or you are done!

Well -- may be Chicago will be a burst of light to the world -- may be you will have that revival in your heart that will do it. FATHER-MOTHER LIGHT may Billy have that heavenly accomplishment! "Yet ye shall ~~so~~ will it." Amen."

You say Jesus was with you when you awoke on Easter Morning, and with you all day. HE HAS ALWAYS BEEN WITH YOU -- TO FINALLY PULL YOU THROUGH TO SANANDA.

Evangeline, "I stand behind HISTORY OF THE ORIGIN OF ALL THINGS.

I feel the Christ awakening in the night so close, and I realize time is the image of eternity. My consciousness is lifted into higher frequencies,

because of periodic reading of these golden words of my Beloved Jesus, within the pages of his book. For an instant I felt I could manifest every need of the moment and every hope of my future.

Then I attuned to FATHER-MOTHER LIGHT and asked, Blessed Jesus, what message is there for the world regarding your dictated masterpiece, HISTORY OF THE ORIGIN OF ALL THINGS?"

Answer: "Yes, indeed, my child, and referring to your soliloquies, you are right, for those of My Kingdom who read these series of treatises under one cover, will feel the impregnation of highest spirit commingling with their natural magnetism, causing chain reactions of a positive essence -- health, prosperity, attainment and the bycrossing of the law of gravity. pg 276

Hungers and apprehensions of the past will be satiated, and the promise of the future is consummated!

Were it not for so many, many of my Beloved Ones, from every corner of the Earth, particularly the United States of America, in every State, I, Jesus, would not be able to bring forth this timely knowledge. It would yet be lain in the dark sepulchre of nothing! Jesus." Price, at cost, \$4.00

The Blessed Director Sananda Kentfield, Cal.

Blest of my being: I have given unto thee that which has been thy passport into the inner temple. And as I have come unto thee and as ye have received me I shall give unto thee that which is given unto me of the Father, son and holy ghost. For it is given unto me to be the director of the new dispensation, and for that I am prepared.

In the days of my youth in the city of Jerusalem, and of Egypt, I was received into a certain temple where in they taught the laws of Moses, and where in they denied the law which had been given unto us for the dispensation of that day. They gave no credence unto the Father for their being; they gave unto their benefactors no recognition.

So be it that the same ones which stood as my disciples which received of my instructions which were given unto me of the Father, are in the "world of flesh and bone" today. For it is given unto us to bring into fruit that which was begun then, and that which has laid dormant within the embryo, and which shall now come into full maturity.

For it has been given unto me to renew my covenant with them which are as yet dead unto that which is given unto them of the Father. They have wandered thru the valleys and thru the darkness where in there was but little light, and it has faded upon their altars and nothing is left save the skeletons of their bygone martars and the parts which have been reportioned and retold until they are scarcely recognized.

And now there shall be a great house cleaning, for their bloody saints shall be removed from their altars. Their idols of wood and brass shall be replaced by flesh and bone: and the words spoken from their pulpits shall be those of the Father, for he has willed it that all shall come to know that which is their inheritance, and that which is willed unto them of him. They shall no longer wander in the darkness! They shall know - and it shall be given unto them to walk in the light of the Christ, for they shall no longer be bound by the black dragon. And they shall not be as ones led by the blind. For they shall be their own saviours, and they shall be unto themselves true.

They shall have no "Blood Sacrifice" and they shall be as ones delivered out of darkness. For it shall be given unto many to walk and talk with them which are sent out from the Father, that this new dispensation may come into its fullness. And so be it and Selah.

I am the man of Galilee, which speaketh unto thee, and it shall profit thee to hear that which I have said unto thee, for I am come that my covenant may be fulfilled, and that ye may be brought out of darkness. So be it and beles. Sananda, the Son of God the Father (and whom ye have called Jesus of Nazareth). Thru Thedra-The Sibors.

Excerpts from Archangel Gabriel Speaking

"Would the great CREATOR of ALL send his Son to die in despair and failure on the cruel Cross? This implies that the CREATOR admitted defeat, HE makes no errors! We make error! HE never makes error! Jesus came to the Earth to LIVE, not to die! Tell that to your churches! They say, "Jesus came to die so that all men might be saved by the shedding of his blood." This is sacrilege! He did not come to die. If he came to die why should the Father have sent him in the first place? They imply in their very fundamental and narrow teachings that Jesus came to teach men, but they rejected the truth, and therefore God, His Father, had no alternative but to place His Son on the cruel Cross so that through the shedding of His precious blood all men might be saved and secure for themselves an everlasting and eternal free passage and quick ticket to paradise. This is the mouthing of Amun! It is not the teachings of our heavenly Father.

Tell them Jesus did not come to die! Take Jesus off the Cross! Do not place Him on the walls of your churches on the Cross. He is not on the Cross! He is not the dead Christ! Their entire gospel is based on the fact that Jesus died for them. He LIVED for them! He did not die for them! We must follow His teachings, His words, His life. Instead they are living in the shadow of His Death! They do not live His teachings, and they call themselves Christian nations! They are not Christian. They follow the Dark One!"

"Their munition factories, their secret smoke-filled chambers are not the chambers where the Christ would come. That is why this farce, this United Nations, shall collapse. On the surface it is the sheep's clothing, but inside it is a ravening beast! It is not based truly on the life of the Master. If they would forget about His death and how it secured them an easy way into heaven, they could solve the world situation. This you have realized and you know as a truth, do you not?

But they have been given their chance. It is too late now. The sickle is being thrust into the field. The fire is being set to the altar that shall determine what is chaff, what is pure gem. The stubble shall be burned; only the gems shall remain."

"Dear Ones, for the next several decades the Earth shall be wrapped in chaos of the very worst kind. The Earth shall switch her axes, not once but three times! Dante with his inferno could not picture such a tragedy! I am not a prophet of gloom; I am a prophet of the facts. Because it is tragic, yes, but it is more tragic to see this continue. The quicker it is eliminated the quicker the great vibrations are established, the better for all men. Even those who perish shall be released to go on and learn where they must learn.

The law is no retrogression--only progression. There are only a few people on Earth at this time who can progress in this environment. All others shall vanish in one way or another." From TRANSCRIPTS OF THE MASTERS, thru Philip, published by Thedra-The Sibors, Box 881, Yucca Valley, Cal.

Message, from Jesus, thru Evangeline, April 16, 1962, on the book, REVEALED TRANSLATION OF JOHN'S REVELATION, GIVEN BY THE LORD JESUS CHRIST TO ARCHIE J. INGER, Ernestine L. Wiseman, 18658 Madison Av., Castro Valley, Cal. \$2.00

"This personality, concept, is crystal clear, like the colors shooting from the diamond spectrum. His concept, while virgin, is true to the 7th Higher Frequency of Interpretation -- and therefore confusing to the casual mind. The man is a dedicated son of God." Jesus of Nazareth.

FATHER-MOTHER LIGHT we give thanks for our being, and for knowledge that in this tragic hour of the Earth unto Magnificent Consummation there is all joy and preservation for those who join with Supreme Sananda in this need. We weep with joy that we cannot weep with sorrow. Devotely Yours,
