Your Honourable Excellency:

This is to acquaint you with my organization and its purposes. Briefly stated, we are in business to assist friendly foreign Governments and their countrymen in financial, mercantile and export and import problems, and related services.

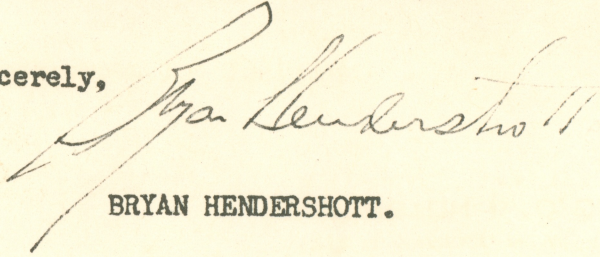

Our standing in Washington is such that any check you may wish to make would affirm our character, integrity and ability.

We would like to be helpful to your Government and your friends if you have any problems within the spheres stated above. Now and in the future we shall be glad to serve you upon proper arrangements.

May I have the pleasure of a reply to this letter ?

With my highest esteem, I am,

Sincerely,

  
BRYAN HENDERSHOTT.
