

Sultan of the Twelve Thousand
Islands,
Malé,
Maldivé Islands (Indian Ocean)

Dear Sultan,

I am nine years old and
am going in the 5th grade.
I go to Wilcoxson Grammar
School. I have a sister 13, a
brother 3, and another sister
that is eight. My father
is president of a chemical
company. I am an Episcopalian
of the Christian faith. I

would very much appreciate
obtaining a pen-pal of the
Mohammedan Faith from
your kingdom. I would like to
correspond with a Mohammedan
girl of my age who can read
and write English.

My hobbies are reading,
writing, swimming, seashell collecting,
and hiking. I like school
very much and enjoy my
lessons. I hope someday to
visit my pen-pal in the
Maldivé Islands and have

her visit me. My favorite
games are Base ~~Ball~~ Kick,
Hide-and-go-Seek, & Twenty Questions.
I went to Summer Church
School for two weeks &
enjoyed it very much.

It would please me
greatly if you can grant me
this desire.

Sincerely yours,
Priscilla Ann Local
