

RE : MALDIVE

HELENE FULD HEALTH FOUNDATION

93 FULD STREET

TRENTON 8, NEW JERSEY

Dear Sir.

March 11, 1960

We have succeeded to date in obtaining for our permanent educational exhibition of nurses' uniforms the bedside clothing of nurses in one hundred forty countries both large and small.

We are very anxious to obtain a nurse's uniform from your country to complete our collection

If you feel that you cannot for any reason send us a nurse's uniform as a gift please inform us how many American dollars we may send you to buy a uniform for our permanent educational exhibition.

We are counting on your cooperation in this project which is wholly in the public interest and we feel certain you will not disappoint us.

On behalf of the thousands who will visit this exhibition in years to come please accept sincere thanks. Very truly yours. Leonard Felix
