His Majesty
Sultan al Amir Mohamed Farid Didi
Male - Maldives Islands.

Dear Sultan Didi;

It has always been a thrilling pleasure for Mrs. Murkhamer and I to receive an acknowledgement from the letters we send to Royalty throughout the world.

We have a number of beautiful momento books containing these acknowledgements and those of other imminent persons throughout the world.

If it would not be asking too much we would be most grateful if it were possible to receive from His Majesty an autographed ^{to grace} photograph ^{one} of the pages of our beautiful momento books.

Thanking you in advance for this special courtesy,
I am,

Sincerely,

Mr. H. R. Murkhamer,
