His Highness Mahommel Farid Didd

I am a retired
telephonon man and I save
stamps for a hobby and
as I do not have any
from Maldive Islands I am
writing to you to read all
about you in June
Geographic Magazine
and that is how I got
your address you may
have some old letter which
you dont care about
so I am sending you
a sample U.S. Stamp to see
how they should be cut
then when I get them
I can remove paper from
stamp now to reimburse

for the stamps you
may send if you
also save stamp I
will send you a lot of
United States stamp

I hope you will
help me with this
request

Yours Truly
